You will manage the entire end-to-end transaction processes, conduct appraisals and modelling of opportunities for clients, and source new opportunities. You will oversee and provide thorough, detail-oriented due diligence on investment transactions, while also providing support, mentorship, and supervision to junior team members.

Responsibilities

- Acquisitions and Disposals of Investments, Development Sites and Leasing and letting situation
- Proven ability to work collaboratively and build strong relationships with customers/partners
- Rental and Capital Valuations
- Preparation of Investment Appraisals
- Preparation of Development Appraisals
- Cashflow modelling
- Understanding and knowledge of the retail market.

Qualifications

- MRICS
- Registered RICS Valuer
- Real estate professional with a minimum of 3 years' experience transacting commercial property.

Skills

- Proven client facing experience
- Development and Investment Appraisal skills
- Excellent technical and interpersonal skills
- Strong negotiation and property sector understanding.
- Strategic and holistic thinking about clients' real estate needs.
- Tailored service provision based on customer needs.
- Exceptional communication and presentation skills, including report writing and proofreading.
- Significant commercial acumen with a strategic and hands-on approach.
- Proficient in Excel and PowerPoint.
- You will have a full UK Driving Licence and be willing to travel throughout the UK with occasional overnight stays away from home.
